

AWARDS AND PRIZES

A special highlight in the scientific program will be the Award Sessions. These sessions offer the ideal environment to present outstanding content to a large audience of actuarial professionals and renowned academics and scientists from all over the world. In order to get particular attention, the awarded sessions will be highlighted in the scientific program. Award sessions take place on each day of the ICA 2018.

BEST PAPER AWARDS

The Scientific Committee will award a number of Best Paper Awards in six given subject areas. After consideration of all submissions, the Scientific Committee will decide on the number of awards and the respective cash prizes of up to € 1,500 for each subject area.

The subject areas are:

- Big Data Analytics – Algorithms, Analysis and Application
- Demographic Change and Longevity
- Aspects of Long-Term Savings: Uncertainty in Low Real Returns, Longevity and Inflation
- Behavioural Aspects of Insurance Mathematics
- Long-Term Risk: Modelling, Measuring, Managing and Economic Valuation
- Mathematical Aspects of Emerging Risks.

The Best Paper Awards honour excellent contributions to the ICA 2018. Every ICA participant is eligible to compete for the Best Paper Awards by submitting a paper in accordance with the submission procedures. The prizes will be awarded in special sessions during the congress in Berlin.

Submissions must meet the following additional requirements:

- Submitted papers have not been already accepted for publication in a scientific journal prior to submission.
- Submitted papers must be written in English and may not exceed 40 pages.

ICA participants wishing to compete for a Best Paper Award should submit, in addition to the regular abstract submission, a full paper of their results in pdf format using the ICA online submission tool on <http://www.ica2018.com/wp/program/bestpaperaward> from 1 February 2017 and no later than 31 July 2017.

IAA SECTION BEST PAPER AWARDS

Besides the Best Paper Awards in the six given topics, each Section of the IAA,

- AFIR/ERM (Financial Risk & ERM)
- ASTIN (Non-Life)
- IAAHS (Health)
- IAALS (Life)
- IACA (Consulting)
- PBSS (Pension Benefits & Social Security),

will also award Best Paper Awards in their subject areas.

The IAA Sections announce, organize and select the award winner independently from all submissions and/or all talks that form part of the scientific program of ICA 2018. By participating in the ICA 2018 Call for Papers process, authors automatically enter the selection procedure. Prize winners will be awarded a prize of with € 1,000 each.
